

IEC6 is jointly organized by the Engineering Faculty at Islamic University of Gaza (IUG) and Institute of Architectural Science at Vienna University of Technology (TU WIEN). It comes as part of the academic partnerships project, entitled "Promotion of Energy-Efficient Buildings Towards Developing Sustainable Built Environment in the Gaza Strip-Palestine" [PEEB], which is implemented by the two institutions. The partnership project and this conference is funded by the Austrian Partnership programme in Higher Education and Research for Development (APPEAR) and Austrian Development Cooperation (ADC).
